### NEW CLASS DESCRIPTIONS:

Butterfly: Every day will be a new adventure for our youngest grouping in the After School Program! We will try cooking and computers, drama and dance, arts and crafts, sports and team-building; this group has a chance to try everything, providing a well-balanced weekly schedule.

Yoga (Ladybug): This class will allow children to try yoga, giving creative options and allowing children to explore the different poses. The focus is having fun with movement, and encouraging physical literacy in children.

Drama and Film (Adventure): Children will explore acting, improv, and script-writing to build an understanding of filmmaking. They will also learn about film, and have a chance to record and edit their own creations.
