

At University Settlement, we strive to provide excellent after school care to your child. We focus on building positive relationships among children and staff, developing relevant 21<sup>st</sup> century skills, and providing a safe and fun environment to learn and grow in.

We start when your child starts school; we take children from age four and up, specializing our programs to enrich a child's development and provide them with a balance of physical and creative opportunities.

# AFTER SCHOOL PROGRAM

# AFTER SCHOOL PROGRAM

## Registration

There are two ways to register for our After School programs. For both you must come in person to University Settlement.

1. If you are looking for After School care for five days a week from Sept – June, you can register on Saturday, June 4 at 9am to guarantee care for the entire school year.
2. If you are looking for After School care for one to four days a week, or to register termly to allow flexibility in which days you come each term, you can register for the fall term on Saturday, August 13 at 9am. Winter registration is in December, and Spring registration in April.

Fall Term: Sept 6 – Dec 23

Winter Term: Jan 9 – April 7

Spring Term: April 10 – June 29

## Our Program

- We provide safe escort from Ogden, Orde, Da Vinci, and Lord Lansdowne Public Schools to our facility.
- Our programs are flexible, allowing you to register for one to five days a week, and you can register termly OR for the entire school year. The fee is \$12 per day.
- A snack is provided, followed by special programs designed to build skills at your child's developmental level. Activities vary to provide a balanced week for our JK/SK group, whereas our grade 1-2 and grade 3+ groups can select programs based on interests and abilities.
- We offer classes such as art and creative classes, various sports, Red Cross Swim lessons, computer skills including coding and graphic design, cooking, Lego club, literacy, hands-on science, and more!
- Parent/Guardian pick-up is between 5:30pm-6pm.
- If you choose to register termly, your child must be registered for the whole term. E.g. if you are registering for Mondays, you must register for all the Monday in the term, not just one or two.
- In addition to After School care, we offer PA Day and March Break camps, private swim lessons or Sunday group swim lessons, and 1:1 tutoring for your child.
