Fit Club with Coach Mark: Get active, get healthy! The Kids' Fit Club with Coach Mark is a program that supports your kids with physical literacy and health strategies. Join the Fit Club and help your kids become healthier with fun activities in the Grange Fitness Strength and Conditioning Centre.

Soccer: Certified soccer coaches will engage your child in drills to enhance their skills and knowledge of the sport. Children will play scrimmage games to practice the skills learned, all the while practicing proper team etiquette and sportsmanship.

Chess Club: Children will be introduced to the game of chess, learn the rules and basic strategies. This will enhance children's problem solving abilities and critical thinking skills.

Dance (grade 3+): Get grooving! Children will select their own songs and choreograph their own dances, make their own music videos, and build confidence while having opportunities to move and play in a safe and fun environment.
