

CLIMATE CHANGE TOWN HALL

Please join me on February 24th for a town hall meeting on implementing Canada's plan to address climate change and grow the economy. The meeting will provide a chance for community members in Spadina-Fort York to hear how the Government of Canada's Climate Change plan is setting us on the path for a better future.

We're taking steps to strengthen our communities so we can stand up to the impacts of climate change, and investing in green technology to generate cleaner, renewable energy that is both more efficient and more affordable for people. Join me at University Settlement on February 24th to participate in this important conversation!

Date: Sunday February 24th, 2019

Time: 2:00PM - 4:00PM

**Location: University Settlement
23 Grange Road, Auditorium
Toronto, ON M5T 1C3**

Please visit my website avaughan.liberal.ca/events OR email adam.vaughan.c1@parl.gc.ca to RSVP, so we can plan for numbers.

I look forward to seeing you there!

Adam Vaughan, M.P.
